

REMARKS

1. Restriction.

Applicant has restricted this patent application to Claim 2 without traverse and has cancelled Claim 1.

2. Claims Amendments.

Claim 1 has been cancelled as drawn to a non-elected invention.

Claim 2 has been amended to be in better form for examination. No new matter has been added.

Amended Claim 2 reads (after the amendment):

2. A magazine for the storing and dispensing of dog biscuits, the magazine comprising:
- a) a vertical chute having right and left side walls for storage of the dog biscuits in a uniform and orderly manner and for mating with a spindle chamber of a dispenser for dispensing of the dog biscuits;
 - b) a shape molded to conform around a shape of the dog biscuits to keep the dog biscuits in a vertical position;
 - c) a handle mounted at a top end of the magazine for loading of the magazine into the dispenser;
 - d) a hook on a lip at the top end of the magazine for use in conjunction with a slot opening at a bottom end of the magazine for mounting the magazine in the dispenser; and
 - e) located at the bottom end of the magazine on the right and left side walls is a curved out section for mating up with side walls of the spindle chamber, wherein the magazine is retained within the dispenser such that a dog biscuit falls into the spindle chamber and the spindle chamber is rotated to dispense the dog biscuit.

New Claims 3-21 are derived from original Claim 2 and the Specification as originally filed, namely pages 12 - 15. No new matter has been added.

CONCLUSION

Applicant submits that the application is in condition for overall allowance and respectfully requests such action.

If the examiner has any questions that can be resolved over the telephone, the examiner is invited to contact the below-signed attorney of record, who has been appointed by a Power of Attorney submitted herewith.

Respectfully submitted,
